Located on Spring Mountain, the Fe Estate vineyard is six-plus acres with a high iron content in the soil, planted to eight-year-old vines. Consisting of 91% Cabernet Sauvignon, 5% Petit Verdot and 4% Malbec, the 2018 Cabernet Sauvignon has a deep garnet-purple color and gallops out of the glass with energetic blackcurrant cordial, black raspberries and ripe plums scents plus suggestions of cumin seed, fragrant earth, mossy tree bark and crushed rocks. Full-bodied, firm and taut on the palate, with fine-grained tannins and lovely layers, this is also really minerally and has a long finish. 435 cases were made, due to be released in March.
