

International **WINEREPORT**

FE WINES Proprietary Red Blend, Spring Mountain '26' 2019

The 2019 Proprietary Red Blend is composed of 43% Cabernet Sauvignon 23% Malbec 17% Cabernet Franc 17% Petit Verdot and it is another outstanding wine from Fe wines. It begins to impress with its wonderful aromatics of ripe dark cherries and plums, which are accented by iron, loam, violets and a lovey touch of sweet oak nuances. This possesses a gorgeous medium to full body that is beautifully structured and polished. It goes on to display outstanding concentration ending with a long, supple finish. This is extremely attractive today, especially with a few hours of air contact, that being said, this should have no problem lasting a decade or two in the cellar.
