

International **WINEREPORT**

FE WINES Cabernet Sauvignon, Spring Mountain 2019

The 2019 FE Spring Mountain Cabernet Sauvignon is a drop-dead stunning wine in this vintage. It is composed of 84% Cabernet Sauvignon 6% Malbec 5% Petit Verdot 5% Cabernet Franc, which spent 19 months in 95% new French Oak (Bossuet, Sylvain and Tarnaud). It begins with absolutely stunning aromas of blackberries, black cherries and black plums which come together with violets, Sumatra coffee, iron, forest herbs, tobacco, gravel and loamy nuances that all burst from the glass. On the palate this is full-bodied, well-structured and concentrated, displaying gorgeous plush layers of ripe dark fruits that continue to resonate through the ultra-long finish. The combination of mountain terroir and beautiful ripe fruit is something to behold in this fabulous wine which is utterly thrilling today, but also destined for a marvelous future. Fe wines have burst onto the scene and become one of Napa's most impressive wines. It won't be long before there is a cult-like following for these wines, so do not hesitate at the chance to get your hands on this magical wine.
