The 2018 26, a blend of 59% Cabernet Sauvignon, 25% Cabernet Franc, 11% Petit Verdot, and 5% Malbec, is deep garnet-purple in color. It gallops out with bold notes of blackcurrant jelly, kirsch, and black raspberries followed by hints of crushed rocks, tar, unsmoked cigars, and black truffles. The medium to full-bodied palate is still very youthful and vibrant, with bright black fruit layers and a firm, grainy texture, finishing long and minerally.
