The 2019 26 is composed of 43% Cabernet Sauvignon, 23% Malbec, 17% Cabernet Franc, and 17% Petit Verdot. Deep garnet-purple in color, it motors out of the glass with powerful scents of creme de cassis, plum preserves, and blackberry pie followed by hints of iron ore, tapenade, and forest floor. The full-bodied palate is concentrated and rich, with firm, fine-grained tannins and bold freshness, finishing with a spicy kick.
