

2021 Fe Wines Red Wine Blend 26

I absolutely loved the 2021 Red Wine Blend 26, a blend of 66% Cabernet Sauvignon, 14% Malbec, 11% Cabernet Franc, and the rest Petit Verdot that's all from the estate on Spring Mountain. Incredible aromatics of red and black fruits, spring flowers, incense, and tobacco define this beauty, and it's medium to full-bodied, has ultra-fine tannins, a layered, seamless mouthfeel, and awesome length on the finish. It's not massive but stays focused, structured, and seamless. Give bottles 4-5 years if you can, and it's going to evolve like a great Bordeaux over the coming two decades or more.
