The 2021 26, made from 66% Cabernet Sauvignon, 14% Malbec, 11% Cabernet Franc, and 9% Petit Verdot, is deep garnet-purple in color. After a swirl or two, notes of crushed black cherries, blackcurrants, and black raspberries erupt from the glass, followed by suggestions of lilacs, lavender, and forest floor. The full-bodied palate is taut and muscular at this youthful stage, backed by firm, grainy tannins and plenty of freshness, finishing long and savory.
